Memorandum

To: Regional Fire Management Coordinators, Regions 1-8
From: Chief, Branch of Fire Management 
Subject: 2015 Guidance for Office of Wildland Fire Coordination Policy
Memorandum 2011-2, Department of the Interior Fire Boot Stipend

This memorandum provides eligibility requirements and payment procedures for the wildland fire boot stipend and supersedes the Branch of Fire Management memorandum FMB130021 dated November 14, 2013.

The payment of a one-hundred dollar (\$100) annual stipend, based on a calendar year, is authorized for employees holding a valid incident qualification card with a fitness rating of moderate or arduous as outlined in Attachment 1 - Office of Wildland Fire Coordination Policy Memorandum 2011-2, Department of the Interior Wildland Fire Boot Stipend. Validity of the incident qualification card is determined by the fitness expiration date on the card. This authorization includes permanent full-time, term, career conditional, pathways, temporary, collateral duty, and casual employees hired using the administratively determined hiring authority.

The unit's fire management officers are responsible for determining who is eligible for the stipend, offering the stipend to all eligible employees, and tracking who receives the boot stipend each calendar year. The boot stipend payment is considered a taxable fringe benefit and shall be processed in accordance with Attachment 2 – Service Boot Stipend Payment Procedures.

Any further questions regarding this program should be directed to Billie Farrell, Administrative Officer, Fire Management Branch at 208-387-5536 or Ted Mason, FWS National Fire Safety Specialist at 208-387-5831.

Subject: Office of Wildland Fire Coordination Policy Memorandum 2011-2
Department of the Interior Wildland Fire Boot Stipend

The Bureau of Indian Affairs (BIA) recently settled an arbitration case with the Federal Indian Service Employees (FISE) regarding the purchase of wildland fire boots. During the proceedings, the attorney for FISE wrote to the Assistant Secretary for Occupational Safety and Health in the U.S. Department of Labor (DOL), contending "... the Department of the Interior pays for these boots for the wildland firefighters employed by the National Park Service and the U.S. Fish and Wildlife Service (almost all of whom are non-Indian) while it forces the predominately American Indian firefighting crews who work alongside them to pay for their own boots." The FISE asked the DOL to "escalate this to the Secretarial level and ask Secretary Solis to contact Secretary Salazar directly" for "prompt attention" and an "immediate response" from the Department of the Interior (DOI) to their complaint.

The National Wildfire Coordinating Group (NWCG) establishes wildland fire standards for use by the bureaus and the NWCG Wildland Fire Boot standard has been adopted by each bureau as appropriate for safe work on the fireline. The NWCG concluded that protective footwear is very personal in nature and can be used by employees off the job site. Therefore, appropriate boots should be a condition of employment for firefighting positions. Boots should be purchased by the employee prior to employment.

Within the DOI, guidelines for purchasing boots for firefighters have indeed varied by bureau. However, the bureaus and Office of Wildland Fire, in consultation with the USDA Forest Service, have reached a consensus on the appropriate level and mechanism for providing financial assistance to all employees who, as a condition of employment, are required to purchase wildland fire boots. Our new policy will allow a \$100.00 per year stipend to qualified firefighters as described in the attachment. If you have questions or need additional information, please contact Kirk Rowdabaugh, 202-606-3447.

2015 Boot Stipend Payment Procedures

The Unit's Fire Management Officers (FMOs) are responsible for:

- Determining who is eligible for the stipend.
- Offering the stipend to all eligible employees including AD's.
- Tracking who receives the boot stipend each calendar year.

To ensure that duplicate payments are not made, supervisors of transferred employees should check with the employee's previous home unit before issuing the annual stipend.

The boot stipend payment is considered a taxable fringe benefit and shall be processed as follows:

Permanent Full Time Employees (PFT), Term, Career Seasonal, Pathways, and Temporary Employees

Preparedness and Hazardous Fuels Reduction (HFR) funded employees, submit boot stipend requests by mailing a completed FWS Form 3-206 (See Attachment 3) to the Interior Business Center (IBC) identifying the home unit cost center and the sub-activity used to fund the employee's base salary with "00" as the regional identifier and the project code of **FFBT0 for preparedness or use a W (WUI) or an N (Non-WUI) in front of FFBT (e.g. WFFBT or NFFBT) for HFR** (FF.F31) project code.

For eligible collateral duty employees whose base salary is non-fire funded, the annual stipend will be paid for using the applicable Preparedness or HFR funds. If a collateral duty employee's home unit does not receive preparedness or HFR funding, then the cost center for that employee should reflect the zone FMO's home unit.

Administratively Determined (AD) Employees

It is required to offer the boot stipend to AD employees hired into a position requiring a moderate or arduous fitness rating. To process the boot stipend for an AD, the home/hiring unit should follow the steps below.

- Complete FWS Form 3-206 with authorized signature. A digital signature is acceptable.
- Attach FWS Form 3-206 to casual's Emergency Firefighter Time Report (OF-288).
- Indicate in the Remarks/Commissary section of the OF-288 the current year, "Boot Stipend" and the amount of the reimbursable (\$100).
- Identify the cost string used to charge the boot stipend.
- Send the FWS Form 3-206 and the OF-288 to the DOI Casual Payment Center (CPC).

The Home/Hiring Unit Cost Accounting Code on the OF-288 shall include the hiring unit's cost center, "00" as the regional identifier of Home/Hiring Unit, and the project code of **ADBT0**. The Work Breakdown Structure (WBS) should reference either suppression (FF.F2) with project code **ADBT0 or use a W (WUI) or an N (Non-WUI) in front of ADBT (e.g. WADBT or NADBT) for HFR** (FF.F31) project code.
